### Application for admission to the Register of Accredited Indexers

I am a member of ANZSI. I wish to apply for admission to the ANZSI Register of Accredited Indexers. I have read the background information and requirements for submitting an application. I understand that, although re-application with another index is possible, the decision of the Board of Assessors on any particular application is final. I agree, if admitted, to use the designation 'Accredited Indexer of ANZSI' only as long as I remain a member of the Society, and to apply it solely to me individually. I understand that processing and assessment of my application may take up to three months. I understand that the Society takes all care but does not accept responsibility for the loss or damage of books (texts) submitted for assessment.
